CONTENTS

<i>Contributors</i>	<i>ix</i>
<i>Preface</i>	<i>xi</i>
1. Social Influences on Nicotine-Related Behaviors	1
Jose A. Piña, Mark D. Namba, Jonna M. Leyrer-Jackson, Gabriella Cabrera-Brown, and Cassandra D. Gipson	
1. Introduction	2
2. Clinical Examination of the Relationship Between Social Influence and Nicotine Use	3
3. Preclinical Models of Social Influence on Nicotine Addiction	11
4. Neurobiological Mechanisms Underlying Anxiolytic and Anxiogenic Effects of Nicotine and Its Role in Social Interaction	15
5. Conclusions	23
References	25
2. Assessing Social Alcohol Drinking in Rodent Models: Are We There Yet?	33
Andrey E. Ryabinin and Andre T. Walcott	
1. Introduction	34
2. Overview of Existing Methods and Results	35
3. Total Intake per Cage Model	38
4. Mesh-Separated Compartments Model	41
5. Parallel Use of Total Intake Model and Mesh Divided Compartments	43
6. Video Tracking	44
7. Radio Frequency Tracking	45
8. Conclusions	48
References	48
3. Social Factors in Ethanol Sensitization	53
Rosana Camarini, Priscila Marianno, and Mariana Rae	
1. Introduction	54
2. Factors Influencing Ethanol-Induced Behavioral Sensitization	54
3. Behavioral Sensitization and Stress	57
4. Behavioral Sensitization and Environmental Enrichment	66
5. Conclusions	71
References	71
Further Reading	80

4. Social Influences in Animal Models of Opiate Addiction	81
Seven E. Tomek and M. Foster Olive	
1. Endogenous Opioid Signaling	82
2. Historical Aspects of Social Influences on Opiate Use	83
3. The Current Opiate Epidemic	84
4. Standard Rodent Models of Opiate Addiction	89
5. Summary of Existing Literature on Social Influences on Opiate Addiction Behaviors in Rodents	94
6. Newer Rodent Paradigms for Assessing Prosocial Behavior in Opiate Addiction	99
7. Limitations of Current Models	100
8. Conclusions	101
References	102
5. Social Modification of Amphetamine Reward	109
Shigeru Watanabe	
1. Experimental Evidence of Social Modification of Drug Reward	110
2. Is Social Facilitation the Sum of Two Reinforcing Effects?	111
3. Modification of Drug Effects by Social Stress	116
4. Parental Effects and Mutual Modification of Social and Stimulant Rewards	122
5. Future Study Directions	124
Acknowledgments	124
References	125
Further Reading	129
6. Animal Models of the Impact of Social Stress on Cocaine Use Disorders	131
Annika Vannan, Gregory L. Powell, Samantha N. Scott, Broc A. Pagni, and Janet L. Neisewander	
1. Introduction	132
2. Models of Early Life, Social Stress	134
3. Models of Aversive Social Stress in Cocaine Addiction	140
4. Social Hierarchy Models	147
5. Social Isolation and Environmental Enrichment Models	151
6. Concluding Remarks	157
References	158
7. Social Factors and Animal Models of Cannabis Use	171
Lauren Hood	
1. Overview of Cannabis Use	172
2. General Overview of Endocannabinoid System	177

3. The Role in Endocannabinoid Signaling in Social Behavior	180
4. Social Influences in Human Cannabis Use	184
5. Animal Models of Cannabis Abuse	187
6. Conclusions and Future Directions	191
References	194
8. Oxytocin and Rodent Models of Addiction	201
Kah-Chung Leong, Stewart Cox, Courtney King, Howard Becker, and Carmela M. Reichel	
1. Introduction	202
2. Preclinical Models of Addiction	206
3. Oxytocin Effects on Preclinical Models of Addiction	210
4. Oxytocin as a Treatment for Addiction	225
5. Oxytocin, Social Reward, and Addiction	229
6. Conclusions	233
References	234
9. Effects of Sexual Experience on Psychostimulant- and Opiate-Induced Behavior and Neural Plasticity in the Mesocorticolimbic Pathway	249
Lauren N. Beloate and Lique M. Coolen	
1. Introduction	250
2. Measures of Male Rat Sexual Behavior	252
3. Measures of Rodent Drug-Related Behavior	254
4. Influence of Sexual Experience on Drug-Related Behavior	255
5. Neural Mechanisms	258
6. Summary and Conclusions	265
References	266
10. Social Defeat Stress, Sex, and Addiction-Like Behaviors	271
Akiko Shimamoto	
1. Introduction	272
2. Social Defeat Stress in Laboratory Animals	273
3. Animal Models of Drug Addiction	283
4. Social Defeat Stress-Induced Addiction-Like Behaviors	285
5. Individual Differences in Social Defeat-Induced Addiction-Like Behaviors	292
6. Sex-Related Differences in Social Defeat-Induced Addiction-Like Behaviors	294
7. Concluding Remarks	295
Acknowledgments	296
References	296
