

Top 200 Universities in Asia

INTRODUCTION

This uniRank page features the **2018 Asian University Ranking** of the top 200 officially recognized higher-education institutions in Asia meeting the following uniRank selection criteria:

- being accredited, licensed and/or chartered by the appropriate higher education-related organization (/institutions/) in each country
- offering at least four-year undergraduate degrees (Bachelor degrees) and/or postgraduate degrees (Master or Doctoral degrees)
- delivering courses predominantly in a traditional face-to-face, non-distance education format

The uniRank University Ranking aim is to provide a non-academic *League Table* of the top 200 Universities in Asia based on unbiased and valid web metrics.
