

## ELSEVIER LICENSE AGREEMENT

This license agreement (“Agreement”) is entered into as of 13 February 2007 by and between **Commission on Higher Education, Ministry of Education** (the “Consortium”), 328 Si Ayutthaya Road, Bangkok 10400, Thailand, authorized to enter into this Agreement on behalf of itself and its participating institutions, identified on Schedule 2 (the “Institutions”), and to enforce the obligations herein on the Institutions (collectively, the “Subscriber”), and **Elsevier B.V.**, Radarweg 29, 1043 NX Amsterdam, The Netherlands (the “Licensor”).

The parties hereto agree as follows:

### SECTION 1. LICENSE.

#### 1.1 *License Grant.*

The Licensor hereby grants to the Subscriber the non-exclusive, non-transferable right and license to use the products and services identified in Schedule 1 (“Licensed Products”) and provide the Licensed Products to its Authorized Users subject to the terms and conditions of this Agreement.

#### 1.2 *Authorized Users/Sites.*

Authorized Users for purposes of this Agreement are:

Full-time and part-time students, faculty, staff, researchers, and independent contractors of the Subscriber affiliated with the Subscriber’s locations listed on Schedule 2 (the “Sites”) and individuals using computer terminals within the library facilities at the Sites permitted by the Subscriber to access the Licensed Products through the Subscriber’s secure network.

The Consortium shall promptly notify the Licensor of any material changes in the number of Sites or Authorized Users, which changes may result in early termination unless the parties are able to agree to appropriate fee adjustments.

Institutions may be added to or removed from Schedule 2 provided that written notice is given by the Consortium to the Licensor by 1 September prior to the start of the next calendar year of the term hereof and subject to an appropriate recalculation of the fees for any added or removed Institutions. The Consortium acknowledges and agrees that in the event that an Institution no longer participates in this Agreement, such Institution will be removed from the Schedules and its journal titles shall no longer be accessed by the Institution.

#### 1.3 *Authorized Uses.*

The Subscriber and its Authorized Users may:

1.3.1 access, search, browse and view the Licensed Products;

1.3.2 print and download a reasonable portion of articles, abstracts, records or parts of chapters from the Licensed Products (“Excerpts”);

1.3.3 incorporate links to Excerpts on the Subscriber’s intranet and internet websites, provided that the appearance of such links and/or statements accompanying such links shall be changed as reasonably requested by the Licensor; and

1.3.4 access, search, browse, view, print and download articles from all journals which are accessible on the ScienceDirect® online service but are not subscribed to as part of the Licensed Products, with each twenty-four (24) hour access period for a selected article, a “Transaction.”

1.3.5 incorporate links to Excerpts in electronic coursepacks, reserves and course management systems for use in connection with courses offered by the Subscriber for academic credit, provided that the Subscriber obtains the prior written consent of the Licensor for use in connection with any non-credit courses.

The Authorized Users may:

1.3.6 transmit Excerpts to other Authorized Users and to third-party colleagues for their scholarly or research use.

The Authorized Users may:

1.3.7 transmit Excerpts to other Authorized Users and to third-party colleagues for their scholarly or research use.

**1.4     *Restrictions on Use of Licensed Products.***  
Except as may be expressly permitted in this Agreement, the Subscriber and its Authorized Users may not:

1.4.1 abridge, modify, translate or create any derivative work based on the Licensed Products without the prior written permission of the Licensor, except to the extent necessary to make them perceptible on a computer screen to Authorized Users;

1.4.2 remove, obscure or modify in any way any copyright notices, other notices or disclaimers as they appear in the Licensed Products; or

1.4.3 substantially or systematically reproduce, retain or redistribute the Licensed Products.

**1.5     *Intellectual Property Ownership.***

The Subscriber acknowledges that all right, title and interest in and to the Licensed Products remain with the Licensor and its licensors, except as expressly set forth in this Agreement, and that the unauthorized distribution of the Licensed Products could materially harm the Licensor and its licensors.

## **SECTION 2. LICENSOR PERFORMANCE OBLIGATIONS.**

**2.1     *Access to Licensed Products.***

The Licensor will make the Licensed Products accessible to the Subscriber and its Authorized Users from the World Wide Web address set forth on Schedule 1 or as may be otherwise set forth herein. Access to the Licensed Products shall not be limited by concurrent use by Authorized Users.

**2.2     *Quality of Service.***

The Licensor shall use reasonable efforts to provide the Licensed Products with a quality of service consistent with industry standards, specifically, to provide continuous service with an average of 95% up-time per month, with the 5% down-time including scheduled maintenance and repairs performed at a time to minimize inconvenience to the Subscriber and its Authorized Users, and to restore service as soon as possible in the event of an interruption or suspension of service.

**2.3     *Withdrawal of Content.***

The Licensor reserves the right to withdraw from the Licensed Products content that it no longer retains the right to license or that it has reasonable grounds to believe is unlawful, harmful, false or infringing. If the withdrawal represents more than fifteen (15%) percent of the content comprising the Licensed Products, the Licensor shall refund to the Subscriber the amount of the Fees that is proportional to the amount of content withdrawn and the remaining unexpired portion of the period for which the Fees were paid.

**2.4     *Usage Data Reports.***

The Licensor will make usage data reports on the usage activity of each Institution accessible online to such Institution and the Consortium on a monthly basis for their internal use only.

**SECTION 3. SUBSCRIBER PERFORMANCE OBLIGATIONS.**

**3.1     *Authorized Access.***

Access to the Licensed Products shall be authenticated by the use of Internet Protocol (“IP”) address(es) indicated by the Subscriber on Schedule 2 and/or by usernames and passwords.

**3.2     *Protection From Unauthorized Access and Use.***

The Subscriber shall use reasonable efforts to:

3.2.1 ensure that access to and use of the Licensed Products is limited to Authorized Users and that all Authorized Users are notified of and comply with the usage restrictions set forth in this Agreement;

3.2.2 ensure that any passwords used to access the Licensed Products are issued only to Authorized Users and that neither the Subscriber nor its Authorized Users divulge any passwords to any third party; and

3.2.3 immediately upon becoming aware of any unauthorized use of the Licensed Products, inform the Licensor and take appropriate steps to ensure that such activity ceases and to prevent any recurrence.

In the event of any unauthorized use of the Licensed Products, the Licensor may suspend access of the IP address(es) and/or passwords from which the unauthorized use occurred upon notice to the Subscriber. The Subscriber shall not be liable for unauthorized use of the Licensed Products by any Authorized Users provided that the Subscriber did not intentionally assist in or encourage such unauthorized use or permit such unauthorized use to continue after having actual notice thereof.

**SECTION 4. FEES AND PAYMENT TERMS.**

The Consortium shall pay to the Licensor the fees set forth in Schedule 1 (the “Fees”) within thirty (30) days of date of invoice. The Fees shall be exclusive of any sales, use, value added, withholding or similar tax and the Consortium shall be liable for any such taxes in addition to the Fees.

**SECTION 5. TERM.**

**5.1     *Term.***

The term of this Agreement shall commence on 1 January 2007 and continue until 31 December 2007.

**5.2     *Renewal.***

This Agreement will be automatically renewed for successive one-year terms, subject to appropriate adjustments to Schedule 1, unless either party gives notice to the other by 1 September prior to the end of the then current term that it does not intend to renew.

**SECTION 6. LICENSOR WARRANTIES AND INDEMNITIES.**

**6.1     *Warranties.***

The Licensor warrants that use of the Licensed Products in accordance with the terms and conditions herein will not infringe the intellectual property rights of any third party.

#### 6.2 *Indemnities.*

The Licensor shall indemnify, defend and hold harmless the Subscriber and its Authorized Users from and against any loss, damage, costs, liability and expenses (including reasonable attorneys' fees) arising from or out of any third-party action or claim that use of the Licensed Products in accordance with the terms and conditions herein infringes the intellectual property rights of such third party. If any such action or claim is made the Subscriber will promptly notify and cooperate with the Licensor. This indemnity obligation shall survive the termination of this Agreement.

#### 6.3 *Disclaimer.*

EXCEPT FOR THE EXPRESS WARRANTIES AND INDEMNITIES STATED HEREIN AND TO THE EXTENT PERMITTED BY APPLICABLE LAW, THE LICENSOR AND ITS LICENSORS PROVIDE THE LICENSED PRODUCTS "AS IS" AND MAKE NO REPRESENTATION OR WARRANTY AND EXPRESSLY DISCLAIM ANY LIABILITY FOR ANY CLAIM ARISING FROM OR OUT OF THE LICENSED PRODUCTS, INCLUDING BUT NOT LIMITED TO ANY ERRORS, INACCURACIES, OMISSIONS, OR DEFECTS CONTAINED THEREIN, AND ANY IMPLIED OR EXPRESS WARRANTY AS TO MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE.

#### 6.4 *Limitation of Liability.*

Except for the express warranties and indemnities stated herein and to the extent permitted by applicable law, in no event shall the Licensor or its licensors be liable for any indirect, incidental, special, consequential or punitive damages, including but not limited to loss of data, business interruption or loss of profits, arising out of or in connection with this Agreement, or shall the liability of the Licensor and its licensors to the Subscriber exceed a sum equal to the Fees paid by the Subscriber hereunder, even if the Licensor or any licensor has been advised of the possibility of such liability or damages.

### **SECTION 7. GENERAL.**

#### 7.1 *Force Majeure.*

Neither party's delay or failure to perform any provision of this Agreement as a result of circumstances beyond its control (including, but not limited to, war, strikes, fires, floods, governmental restrictions, power failures, telecommunications or Internet failures or damage to or destruction of any network facilities or servers) shall be deemed a breach of this Agreement.

#### 7.2 *Severability.*

The invalidity or unenforceability of any provision of this Agreement shall not affect any other provisions of this Agreement.

#### 7.3 *Entire Agreement.*

This Agreement contains the entire understanding and agreement of the parties and merges and supersedes any and all prior and contemporaneous agreements, communications, proposals and purchase orders, written or oral, between the parties with respect to the subject matter contained herein.

#### 7.4 *Modification.*

No modification or waiver of any provision of this Agreement shall be valid unless in writing and signed by the parties.

#### 7.5 *Assignment.*

The Subscriber shall not assign, transfer or sublicense any of its rights or obligations under this Agreement unless it obtains the prior written consent of the Licensor, which consent shall not unreasonably be withheld.

**7.6 Privacy.**

The Licensor shall not, without the prior written consent of the Subscriber, transfer any personal information of any Authorized Users to any non-affiliated third party or use it for any purpose other than as described in this Agreement and in the online privacy policy for the relevant online service.

**7.7 Notices.**

All notices given pursuant to this Agreement shall be in writing and delivered to the party to whom such notice is directed at the address specified below or the facsimile number or electronic mail address as such party shall have designated by notice hereunder.

If to the Licensor: Elsevier B.V. c/o Regional Sales Office, 3 Killiney Road, #08-01, Winsland House I, 239519, Singapore.

If to the Subscriber: Commission of Higher Education, Ministry of Education, 328 Si-Ayudhaya Road, Rajthevi, Bangkok, 10400, Thailand.

**7.8 Activation.**

The Subscriber's access to the Licensed Products shall be activated no later than seven (7) days after the Licensor's receipt of this Agreement signed by the Consortium. Failure to meet this condition shall result in an extension of the Subscriber's access for the same period of time the access has been unavailable to the Subscriber, unless such failure is a result of conditions beyond the Licensor's control.

**IN WITNESS WHEREOF**, the parties have executed this Agreement by their respective, duly authorized representatives as of the date first above written.

**Sole Source Provider**

The Licensor is the “sole source” for the ScienceDirect® online service, which provides access through the ScienceDirect web-based internet platform at <http://www.sciencedirect.com> to electronically searchable and retrievable content, including scientific and other scholarly journals and related information products and services, published by Elsevier and its affiliates and other publishers under license.

**Special Consortium Rate**

The Fees for the Licensed Products are offered under a special rate for the Consortium and its Institutions.

If a third party offers the Licensed Products for a lower fee than agreed in the Elsevier License Agreement dated 13 February 2007, the Consortium will inform Licensor of such offer and provide Licensor with all relevant documentation of such offer.

Licensor will then be entitled to propose a counterproposal to the Consortium, which proposal the Consortium will accept on behalf of its members if this proposal equals the third party offer.

If Licensor does not propose a counter proposal or if the counterproposal is lower than the third party offer, the Consortium will be entitled to terminate the Agreement by the end of the then current year.

**Payment Terms**

Cheque payments or bank drafts for full payment of the Fees shall be made payable to Elsevier B.V., and delivered to Elsevier (Singapore) Pte Ltd, No. 3 Killiney Road, #08-01 Winsland House 1, Singapore 239519, Attention: Ms Audrey Su.

**Adjustment of Fees**

After the initial year of the term, the Fees for the Subscriber's ScienceDirect Journal Collection(s) shall be subject to an adjustment to account for any titles added to or removed from the Journal Collection(s) during the remainder of the term of this Agreement.

**Journal Collection(s)**

The Subscriber's ScienceDirect Journal Collection(s) is described in Schedule 1.1. The ScienceDirect online database is updated at least once per month.

**Transaction Fee**

The Consortium shall be charged a fee of US\$22.00 per Transaction (as defined in Section 1.3) from Elsevier journals. The Consortium may purchase pre-paid Transactions upon mutual agreement of the parties in writing. Unused pre-paid Transactions shall be forfeited upon termination of the Agreement.

## **ELSEVIER LICENSE AGREEMENT**

### **Schedule 1.1 Journal Collection(s)**

#### **Journal Collection(s):**

**Freedom Collection:** Electronic access to the full text of all articles from the Elsevier journal titles published since 1 January 1995 and currently included in the ScienceDirect® online service (except the Cell Press and certain society-owned titles).

#### **Option to Substitute Subscribed Titles**

The Subscriber may substitute any subscribed journal title identified on Annex A (“Subscribed Titles”) (except the Cell Press titles) with one or more journal titles of total comparable value (in current year list price) once annually upon notice to the Licensor by 1 September prior to the start of the next calendar year or at any time upon mutual agreement of the parties in writing.

#### **Option to Substitute or Refund Withdrawn Subscribed Titles**

The Subscriber may substitute any withdrawn Subscribed Title with one or more journal titles of total comparable value (in current year list price) at any time upon the Consortium giving notice to the Licensor. In the event that no substitute journal title is available, the Licensor shall refund to the Consortium the amount of the Fees paid for the withdrawn Subscribed Title for the remainder of the term.

#### **Access to Formerly Subscribed Titles**

Upon termination of the Subscriber's license to ScienceDirect online, the Subscriber may, at its option, (1) acquire, load and technically format on a server that enables access and use by Authorized Users through the Subscriber's internal secure network an electronic copy of all or part of its Subscribed Titles for the publication years paid (i.e., not for any additional backfile years that are accessed solely through the Freedom Collection), provided that the Subscriber defrays the costs of preparing the data set sought, and/or (2) continue to access such Subscribed Titles online for an annual access fee based on the number of full-text articles downloaded from such titles during the prior twelve (12) months at a rate of US\$0.081 per download (adjusted annually for inflation and cost increases), in accordance with the usage provisions of the Agreement, which provisions shall survive the termination of the Agreement. The Licensor shall make available for inspection by a duly authorized auditor of the Subscriber, at the Subscriber's sole expense, the records concerning the calculation of the annual access fee one time per year during regular business hours upon thirty (30) days written notice to the Licensor. Due to systems limitations, if the Subscriber subscribes to ScienceDirect Web Editions, the Subscriber will not be able to have continued online access to the backfiles of such titles (i.e. titles published prior to the last twelve (12) months). The electronic copy may not contain links and other features and functionality associated with the online version. If a particular Subscribed Title is withdrawn by the Licensor or not renewed by the Subscriber, but the Subscriber remains a ScienceDirect online subscriber, the Subscriber may continue to access online, at no additional charge, such formerly Subscribed Title, provided that the Licensor continues to hold the electronic rights to the Subscribed Title.

#### **Print Subscriptions and Expenditure Commitment**

The Subscriber has provided to the Licensor a complete list of Elsevier Subscribed Titles in print, including multiple subscriptions, the value of which, set forth above, shall be paid by the Subscriber in full no later than 31 March of each calendar year of the term of the Agreement. If the Subscriber fails to make full payment on a timely basis, the Subscriber shall be charged an additional fee equal to the value (in current year list price) of the unpaid print subscriptions. The Subscriber may substitute an electronic-only subscription for an existing print subscription during the term of the Agreement by giving the Licensor notice by 1 September prior to the start of the next calendar year of the Agreement, which substitution will not be considered a breach of the Subscriber's foregoing print expenditure commitment. An “e-only” discount of ten (10%) percent off the value of the then current

year list price of the Subscriber's subscriptions that are accessed electronically only will be applied to the annual subscription renewal of the next calendar year and continue for each calendar year thereafter remaining in the term of this Agreement.
