

**Dr. SEE Diu Seng***Solution Consultant, Southeast Asia***Clarivate Analytics**

As Solution Consultant specialising in Scientific & Academic Research, Dr See Diu Seng represents Clarivate Analytics as speaker at key conferences across Southeast Asia to share best practices in scientific discovery and research evaluation.

As the regional lead consultant, Diu Seng provides decision support services and conducts training workshops for Clarivate customers in academia and research. As the regional lead consultant, Diu Seng provides decision support services and conducts training workshops for Clarivate customers in academia and research. He has also been actively involved in identifying top researchers in numerous regional awards such as the Malaysian Researcher Star Awards, Thailand Frontier Researcher Awards, etc.

Prior to joining Clarivate, Diu Seng was a postdoctoral researcher at the National University of Singapore (NUS) from 2013 to 2015. During that time, he was Business Lead at Singapore-based LuminiCell Pte Ltd where he raised SGD250,000 seed funding to develop unique fluorescent technology.

Diu Seng holds a doctoral degree from the NUS Graduate School for Integrative Sciences and Engineering, Singapore, and a Bachelor of Science (Honours) in Chemistry from NUS. He enjoys brewing craft beer for leisure.
