The image shows the Canva website design interface. At the top, a blue header contains the text "What will you design?" and two buttons: "Custom size" and "Upload". Below the header is a navigation bar with three icons: "For you" (a star), "Presentations" (a document with a play button), and "Social media" (a speech bubble). A search bar in the center of the navigation bar contains the text "website".

Below the navigation bar, there is a section titled "You might want to try..." with four cards: "Education Presentation" (a green grid with a white paper), "Educational Video" (a video thumbnail titled "EFFECTIVE PRESENTING"), "Education Infographic" (a blue infographic titled "THE ART OF Calligraphy"), and "Class Sched" (a white document with a calendar grid).

A search dropdown menu is open, showing the search results for "website". The search bar contains "website" and a close button (X). Below the search bar are two tabs: "Templates" (selected) and "Your projects". The search results are as follows:
